**Introducing**

**Treos Shower Valve**  
Is a new innovation & flexibility as a custom shower solution.

**Introducing**

**Cylinder Shower Valve**  
for water flow volume control

**Also Available**

**PPR Step Over Bend**  
For overlapping ppr pipe installation

**Also Available**

**PPR Compact Ball Valve**  
Alternate to ppr gate valve

### FUSING MACHINE

### PPR Fusing Machine Instruction

1. Put mark then cut the ppr pipe make sure that the edges are clean and straight
2. Choose correct fittings for joining
3. Clean the fittings and pipe
4. When the fusing machine achieve the correct temperature you can now put the fittings and pipe
5. You can joint the pipe and fittings
6. make sure that you don't squeeze or pop to pipe to have a leak free joint
